Dear Friends,

WELCOME! We are so thankful that you're prayerfully considering Union Christian Academy for your child's education experience.

Enclosed in this packet are several documents that will give you some basic information about our school. While "information" is good, we extend a special invitation to your family to schedule a personal visit of our campus and facilities!

The founders of UCA believe that God has a great and wonderful plan for the young people of Union Parish and north central Louisiana. The Lord has affirmed that belief. In the fall of 2000, Union Christian opened its doors to 34 students. Within 3 years, the Lord had provided an opportunity for UCA to purchase and move into, its own building located at 110 West Hill Street, near downtown Farmerville, Louisiana, with 140 students. In 2006, the campus opened the Pride Assembly Center housing our Junior and Senior High School, and serving as our home court for all Lion and Lady Lion indoor sports.

Christ is the very heart and center of our education process. We utilize the Bob Jones and A-Beka curriculum, which is recognized as two of the best and most challenging educational systems used today. We combine this Christ-centered education with a "classical" education experience for our young people, encompassing music, literature, physical fitness, and athletics. Our students attend chapel each week and Bible is taught as part of the daily curricula. Each year our students take the Stanford Achievement Test to measure the effectiveness of our education system with those from across Louisiana, Mississippi, and the United States. UCA students consistently score in the top one-third of students nationally.

Our school is "TOPS" approved by the State of Louisiana, which allows our graduating seniors an opportunity to attend a Louisiana state-supported college or university tuition free. We are also proud to be accredited by the Mississippi Association of Independent Schools (MAIS). We also look forward to securing additional accreditations that will assure you that your child's education and future is as important to us as it is to you. Christian education is an investment in your child's future. At UCA, we've been very blessed to be able to keep our tuition among the lowest in the Ark-La region. God is so good and our prayer is to honor Him in all that we do at UCA. We invite you to pray for us, as we will for you...seeking His wisdom and guidance in this life-changing decision your family is making.

If you have any questions please feel free to telephone our Director of Academic Affairs, Ms. Kay Hicks, or the President of our school, Mr. Paul Murray at (318) 368-8890. You can also visit us online at [www.ucalions.org](http://www.ucalions.org) to learn more.

Thank you for considering UCA.  
Stan Elkins  
President – Board of Directors  
Union Christian Academy
