Renovation Update

Approximately 10 – 12 adults worked on Saturday, December 13, until 6:30 pm. Two loads of unwanted beds and other furniture were taken to the landfill. Three trucks and trailers made two trips to the old Sterlington High School to get desks, chairs and other items in good condition.

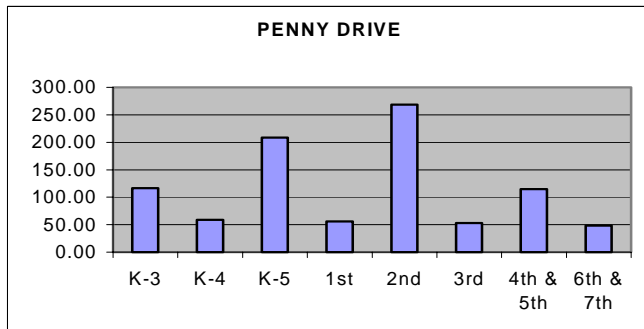

There is still a lot of furniture to be removed from the school and this can be done with the cooperation of everyone pitching in on the next workday scheduled Saturday, January 10, from 9 am until 3 pm. The landfill closes at 1 pm, so we need to make as many loads as possible prior to that time. If you can't come for all of the day, please make an effort to come just for an hour to help out.

Thanks to Robbie Lawson for making the "school zone" sign. During drop-off and pick up, please form two lines going one way in front of the school. This will speed up traffic.

The school would like to have a piano to put in the cafeteria for special programs and weekly chapels. A Kimble console has become available.

The piano costs \$4,000, but the owner will sell to UCA for \$1,500. If you would like to make a donation toward the purchase, please contact Becky Baze or Sharon Mashaw.
