Dear Parents,

This has been the most exciting school year I have ever had. It has been amazing to watch how the Lord has moved within our school. I feel we have accomplished many things to improve the school, yet we still have many more things to get accomplished. I want to thank everyone for their prayers and support this past year. May the Lord be with you and your family all through the summer.

In His Service,
Bill Ritz

As the end draws near I can't help but reflect on the great experience that I had at Union Christian Academy. The past two years has been a true blessing for my family and me. I am moving on to pursue my degree in early childhood education at Northwestern State University. I will never forget all the great things that I was able to participate in at UCA. I would like to thank my fellow co-workers, friends, parents, and most of all my students for allowing my time at UCA to be a life long experience that I will never forget. Thanks for everything.
