Betty Elkins assists all students from 1<sup>st</sup> grade through the 8<sup>th</sup> grade who need extra help with their reading skills. She started working at UCA last year after working 20 years in the Union Parish school system. She earned her BA degree from Louisiana Tech and has earned her teaching certification; she also has earned 9 hours toward her Master's degree.

Mrs. Elkins is married and has one son, Stan, who has two sons attending UCA – Triston (2<sup>nd</sup> grade) and Canyon (K-5). She attends Mt. Union Baptist Church and teaches Sunday School. She is the daughter of a preacher and is thankful for her spiritual upbringing along with her six siblings. She enjoys teaching because she feels God has called her to help students learn not only academically, but to know Jesus as their Savior.

## ATHLETIC UPDATE

The Lady Lions are on a roll after defeating Victory Christian in Camden, AR, last Friday. The scores for each game were 25-12 Victory, 25-20 UCA, and 25-12 UCA. This brings our record to 3 wins and 2 losses with three more games and a tournament ahead. Great passes and bumps were made by Amber Lawson, Haley Arrington, Taylor Middleton, Brittany White, Emilee Silmon, Paige Gaar, Hannah Akin, and great plays on the net by Dixie Foster. Good serves by the team assisted the win. Super job, Ladies...keep it up!

The Football Lions had a tough team to play in Victory Christian on Friday evening. The Lions did not rack up many impressive offensive statistics however they played a great game. The team learned some very important lessons in the defeat, namely pride. We played by far our toughest team and for a while we were a little confused and frustrated. The Lions came back in the second half and really buckled down and kept Victory out of the end zone on multiple occasions. It is exciting to see what great potential each of our young men have.

Our next games will be held this Saturday at home.  
**GOOD LUCK, LIONS!**
