The Lions 2004 - 2005 men's basketball program is underway! The team has worked hard, played hard, and is laying a good foundation for the future. We're playing teams with much more experience, age, and height than we have, but I am proud of the way we are competing. We almost

won our first game last week, losing 29 - 24. We were tied with two minutes to play. The boys are learning the fundamentals of the game and in time we'll be a very dangerous team. After our last game against Columbia Christian, the referee and the opposing coach complemented our team's hustle and effort. The players are:

Cody Albritton
Jonathan Baze
Josh Ellis
Cody Eubanks
Wade Halley

Josh Hicks
Blade Jenkins
Chase Kinnison
Paden Sparks

Ethan Rykard started the season with us but broke his ankle hunting. We only have a few more games left and they are exciting. Please come out and support the Lions.

Coach Baze

Computer chairs have been purchased with part of the proceeds from the cookie dough fundraiser. The kids are really excited to have this addition to the computer lab!!!
