This is Brenda Foster's first year at UCA and is currently teaching a K5 class. She received her BS in Elementary Education from Mississippi State University and has six years teaching experience. She also has earned her Elementary Education Certification.

Her husband, Chris, is a forester with the US Fish and Wildlife Service. They have two sons – David, age 3 and William, age 1. They are members of First Presbyterian in Vicksburg, MS, and are looking for a church home in Monroe.

Mrs. Foster enjoys watercolor painting and pencil drawing. She enjoys teaching because it brings her joy. The favorite thing about UCA is the loving family-like atmosphere.

Sue Ritz also teaches a K5 class. She has 38 years of experience and has been at UCA for the past three years. She received her BA at Southwest Texas University in San Marcos, Texas, and has earned her teaching certificate.

Most of you know she is married to Bill Ritz, our administrator. They have three children and four grandchildren. She likes to work in the yard, shop for antiques, read and spend time with her husband.

The Christian environment is Mrs. Ritz's favorite thing about UCA. She likes teaching kindergarten students because you really see a change in learning from the beginning of the year to the end.
