Catherine Boyd is one of our new teachers this year at UCA. She is teaching the 5th grade and has a total of ten years experience. Her education includes her BBA from ULM and her MAT from Memphis State University; she has her lifetime certification to teach K - 8th grades

Mrs. Boyd has a grown son and daughter from a previous marriage and her husband, Frank, also has a son and daughter. She and Frank attend First Assembly in West Monroe.

Her favorite things about UCA are that everyone works hard to do their job, smiles are frequent and praising God is utmost. Mrs. Boyd feels thrilled and grateful when her students grow academically, socially and spiritually.

Another tidbit of trivia - Catherine and I went to high school and college together many years ago!!
