Sabrina Goodman Pre-K October Teacher of the month

Here is a letter from one of the nominations

Our 4-year-old has just blossomed under her wing. He is learning his letters and numbers at such a rapid pace and loves it. Ms. Goodman is always pleasant and professional and our son just seems to love her. Her classroom discipline plan is well-thought out, fair and gives our children chances to think about their actions. Ms. Goodman seems to be organized in her paperwork and records and is always warm and patient with the children.

CAUTION

There will be a new Children's move out in December called THE GOLDEN COMPASS. It is written by Phillip Pullman, a proud atheist who belongs to secular humanist societies. He hates C. S. Lewis's Chronicle's of Narnia and has written a trilogy to show the other side. The move has been dumbed down to fool kids and their parents in the hope that they will buy his trilogy where in the end the children kill God and everyone can do as they please.

Nicole Kidman starts in the movie so it will probably be advertised a lot. This is just a friendly warning that you sure won't hear on the regular TV.
